What's Coming Up & How You Can Get Involved

As we head into the third quarter of the year, Angel Wings Network is looking forward to a busy and exciting season! We'll be out in the community at several upcoming events, including the Weiser Valley Roundup Rodeo, the Washington County Fair, and the Harvest Bazaar. These events provide wonderful opportunities to connect with community members, share our mission, and raise awareness about the programs and services available to local cancer patients and their families. We always need additional help with events, so if you are interested in helping out, please reach out to us.

We'll also be participating in our annual Board Retreat, a time to reflect on our accomplishments, evaluate our impact, and set goals for the future as we continue to grow and strengthen our organization.

Meanwhile, preparations will soon begin for our annual Fall Walk/Run in October. Planning kicks off in August, and we're excited to once again bring our community together in support of local cancer patients. We will be looking for vendors, sponsors, and volunteers. Stay tuned for more details in the coming months.Thank you for your continued support and for being part of our mission. Together, we are making a difference—one step at a time.

Angel Spotlight: Eleanore Huggins

This quarter, we proudly recognize Eleanore Huggins for her outstanding dedication to Angel Wings Network. As a board member and our lead transportation volunteer, Eleanore goes far beyond driving clients to treatment. She also assists with community outreach, meetings, delivering welcome bags, and countless behind-the-scenes tasks. Her compassion, generosity, and commitment make a lasting difference for the cancer patients and families we serve. Eleonore was also named as the Grand Marshall of the Fiddle Festival Parade! She truly is a gem.
